## About MedCentral

MedCentral College of nursing attracts motivated students of all ages who expect a demanding and rewarding career in nursing. Our vision is to prepare students not only professionally but also personally to assume the beginning roles in nursing practice, to continue the study of nursing at the graduate level, and to advance to nursing positions of leadership and responsibility. The college prepares the student for effective, competent practice as a member of a healthcare team in any diverse setting.

### NON-DISCRIMINATORY POLICY

MedCentral College of Nursing admits students to all privileges, programs, and activities generally accorded or made available at the College and does not discriminate on the basis of race, color, national or ethnic origin, religion, gender, sexual orientation, age, non-disqualifying disability, or veteran status in the administration of its admission and educational policies; scholarship and loan programs; athletic programs, hiring, retention and promotion practices, or any other College administered program.
